Dear Sir:

Pursuant to 21 CFR Part 101.93, DBS Labs LLC is filing the following Statement of Nutritional Support for the Dietary/Herbal Supplement marketed as Arginine Plus:

(1). Name and Address of Distributor: DBS Labs LLC
1485 N. Park Drive, Weston, FL 33326

(2). Text of Nutritional Support Statement being made:

Arginine Plus contains L-Arginine, an amino acid, which are an essential element and the main precursor to the production of nitric oxide in the body. Nitric Oxide is vital to healthy physical sexual function. Nitric oxide support healthy blood flow. Blood circulation is an important component to healthy sexual function. Nitric Oxide works by activating an enzyme that manufactures a biochemical signaling enzyme called cyclic guanosine monophosphate or cGMP. cGMP is important to signal dilation of the vessels in the genital area which helps improve blood flow during arousal.

(3) Name of dietary ingredient:

Please find attached the product ingredient label.

(4) Brand Name: DBS Labs, LLC.
Product Name: Arginine Plus

(5). Substantiation information is on file at the company office.

The Corporate office who can certify same is Mr. Guy Regalado, President of DBS Labs LLC.

Yours truly,

Guy Regalado
President
